Dr. Bart Daig
CEO / President
Baker College
1020 S. Washington St.
Owosso, MI 48867

Dear President Daig:

This letter serves as formal notification and official record of action taken concerning Baker College by the Institutional Actions Council of the Higher Learning Commission at its meeting on May 04, 2020. The date of this action constitutes the effective date of the institution's new status with HLC.

Action with Interim Monitoring. IAC continued the accreditation of Baker College with the next Reaffirmation of Accreditation in 2029-30. In conjunction with this action, IAC required the following interim monitoring:

Interim Report. Interim report due 6/30/2022: Report must provide evidence that the College has developed its definition of co-curricular activities in keeping with the new definition within the Revised Criteria for Accreditation effective September 2020; Identified appropriate co-curricular activities in keeping with the institution's mission; and developed IPR's for assessment of the identified co-curricular activities and support units and has completed at least one full assessment cycle.

In taking this action, the IAC considered materials from the most recent evaluation and the institutional response (if applicable) to the evaluation findings.

In two weeks, this action will be added to the *Institutional Status and Requirements (ISR) Report*, a resource for Accreditation Liaison Officers to review and manage information regarding the institution's accreditation relationship. Accreditation Liaison Officers may request the ISR Report on HLC's website at <https://www.hlcommission.org/isr-request>.

Within the next 30 days, HLC will also publish information about this action on its website at <https://www.hlcommission.org/Student-Resources/recent-actions.html>.

Please note: Revisions to HLC's Criteria for Accreditation will go into effect on September 1, 2020. Institutions will be evaluated against the revised Criteria for all reviews conducted after that date, including reviews related to previously assigned monitoring. Institutional reports submitted after September 1, 2020, that reference the Criteria should be written to the revised version. More information about the revised Criteria, including a crosswalk between the current and revised versions, is available on HLC's website at <https://www.hlcommission.org/criteria>.

If you have any questions about these documents after viewing them, please contact the institution's staff liaison Linnea Stenson. Your cooperation in this matter is appreciated.

Sincerely,

A handwritten signature in black ink that reads "Barbara Gellman-Danley".
