

Public Disclosure:
Taylor Business Institute status changed
from “Accredited – On Notice” to “Accredited”
Effective: November 2, 2023

The Higher Learning Commission has removed the sanction of Notice for Taylor Business Institute in Chicago, Illinois.

HLC took this action based on the institution’s ability to demonstrate it is no longer at risk of being out of compliance with HLC's Criteria for Accreditation. It was placed on Notice in November 2021 when it was determined to be at risk of becoming out of compliance with HLC’s Criteria for Accreditation.

To provide transparency for all stakeholders, HLC publishes a Directory of Institutions on its website at www.hlcommission.org/directory. The directory includes information about a college or university's accreditation status, recent activities, and upcoming activities.
